

Effingham Parish Council

EFFINGHAM

27th May 2015

Village Plan Steering Group meeting held today at the Parish Rooms.

Councillors present -

Paula Moss (chair), Andrea Lightfoot, Keith Cornwell, Ian Symes, Cliff Hackett, Arnold Pindar and James Nicholls.

Apologies received by -

Hilda Brazil, Liz Hogger and David Martland.

A meeting was held today to identify potential future development sites, from previously identified sites.

3 initial screening criteria were used for each of the sites -

- 1) Is the site beyond reasonable proximity to the current settlement area?
- 2) Would use of the site detrimentally impact or result in a loss of a community facility?
- 3) Is the site a current employer or viable business?

Those sites accepted after the preliminary screening were then reviewed against a detailed list of criteria previously validated by the Community Consultation Group. A scoring system was utilised. The results will be circulated to councillors for review and further discussions with a recommendation to EPC to follow.

The results will be uploaded onto the parish website at a later date.
