Regulation 14 Pre Submission Consultation 23rd May 2016 - 18th July 2016

Effingham Parish Council

The Effingham Neighbourhood Plan is available for consultation

Effingham's Neighbourhood Plan has now reached its crucial 'Pre Submission Consultation' stage, and Effingham Parish Council is inviting formal comments from residents and other consultees, before the Plan is submitted to Guildford Borough Council.

The Plan is the result of extensive engagement with residents, and other interested parties, through public events, surveys, and workshops. It is the Plan that the Effingham Neighbourhood Plan Advisory Group (ENPAG) believes best meets the views and aspirations of our community.

The specific purpose of the Neighbourhood Plan is to set planning policies for the parish that will help shape and determine planning decisions in Effingham, including the number and type of new homes, where those homes are built, the protection of our Green Belt countryside and landscape, and design principles to preserve the character of the village and wider parish.

Over the next few weeks we will be asking all residents to tell us what they think about the plan.

How you can help

From now until 18th July 2016 we will be accepting comments on The Neighbourhood Plan. Please take the time to visit the website and view the plan. By clicking on the link below you will be able to read the plan, complete a survey and / or leave comments on the plan.

The Neighbourhood Plan : Over to you

After three years of development, Effingham's Neighbourhood Plan has reached its crucial 'Pre Submission Consultation' stage. The Parish Council is seeking formal comments from residents and other consultees, before the Plan is submitted to Guildford Borough Council. The Plan is the result of extensive engagement with residents, and other interested parties, through public events, surveys, and workshops. It is the Plan that the Effingham Neighbourhood Plan Advisory Group (ENPAG) believes best meets the views and aspirations of our community.

The specific purpose of the Neighbourhood Plan is to set planning policies for the parish that will help shape and determine planning decisions in Effingham, including the number and type of new homes, where those homes are built, the protection of our Green Belt countryside and landscape, and design principles to preserve the character of the village and wider parish.

We will be delivering survey forms to all households in the parish over the next two weeks. Residents and interested parties can also comment upon the plan by using the comment form below or by downloading the survey by clicking on the link. Completed surveys can be returned to the Parish Clerk at : clerk2010@effinghamparishcouncil.gov.uk
